# Our Wholesale Stocks, below Manufacturing Cost.

THEY AMOUNT TO MILLIONS OF DOLLARS, embrace every department, and are of the highest qualities. The unequalled opportunity now open to our Retail Patrons only, is not the sale of a day or a week, but one of many months, until the largest wholesale stock ever collected under one roof has been disposed of.

The unprecedented crowds of buyers of last week are the best evidence of the great popularity of this gigantic sale; second week begins to-morrow, with even greater inducements for careful buyers.
